

Alain Haffner

PARTNER FRANCE

Expertise:

- Business Administration
- Human Resources
- Corporate Finance
- Leverage Buy-Outs (LBO)
- Mergers & Acquisitions

Alain Haffner is a senior finance executive and consultant with extensive experience in business administration, accounting, human Resources and corporate finance management.

With 23 years of experience in business administration for European based, privately owned companies, Alain's career spans all aspects of financial planning & analysis, accounting, operations and organizational development. In his previous roles as Chief Financial Officer and board member for international consumer goods and advanced manufacturing firms, Alain successfully guided the companies through complex financial strategies and transactions, including acquisitions and mergers & leveraged buy-outs.

During his career in the Strasbourg region, which hosts the European Parliament and is considered the business center of Europe, Alain has developed a vast professional network across several industries in Germany and France.

Alain is a sports enthusiast who is passionate about travel and world economics. He speaks French, German and English.

Alain holds a Bachelor's Degree in accounting and business administration.
