ALTIX CONSULTING

LEADERSHIP AXCELERATOR

As a leader in advanced manufacturing, you play a critical role in driving innovation, operational excellence, and profitable growth. The ALTIX Leadership Accelerator is an executive development program designed to strengthen your strategic, operational, financial, and commercial leadership capabilities—preparing you to assume broader responsibilities, including P&L ownership, growth strategy, and senior-level customer engagement.

Designed to develop high-impact leaders, this program also supports organizational talent growth, retention, and succession planning.

Format:

- 10-month action-oriented program from September to June
- In-person or digital delivery
- Monthly, 1/2-day, interactive sessions:
  - Thought-provoking content from industry experts
  - Case studies aligned to real-world business needs ("mini-MBA" style)
  - Roundtable and benchmarking discussions
  - Peer group networking across industries and functions
  - Dedicated time for capstone project development
  - Immersive learning at leading industrial facilities (in-person only)
  - One-on-one executive coaching (optional add-on)

Cost:

- $7,495
- Individual coaching and mentoring add-on available

YANNICK SCHILLY
Head Coach

With over 30 years of experience, Yannick Schilly has led organizations through complex transformation initiatives, specializing in global expansion, operational excellence, and technology-driven change across Germany, China, and the United States.

His expertise spans advanced manufacturing, industrial engineering, and multinational supply chains, enabling him to translate strategy into measurable operational performance. Yannick brings a pragmatic,, hands-on approach grounded in real-world leadership experience.

As Head Coach of the OPS Leaders Program, he helps organizations strengthen operational capabilities, develop high-impact leaders, and achieve sustainable, scalable growth.
