

Site Selection in the U.S.A.

Unlock Strategic Growth Opportunities

The United States presents a world of opportunities for ambitious industrial companies seeking to expand their footprint in one of the most dynamic and globally connected markets. From advanced infrastructure to a skilled workforce, selecting the right location in the U.S. can be the game-changer for your company's growth, efficiency, and competitiveness.

At ALTIX, we understand the stakes. Site selection is more than a decision—it's a strategic milestone. With our proven expertise and deep industry knowledge, we are your trusted partner to turn complexity into clarity and opportunity.

Why Choose the U.S.A. for Your Business Expansion?

World-Class Infrastructure: Access state-of-the-art transportation networks (ports, rail, highways) and industry-ready utilities to keep your operations moving seamlessly.

Diverse and Skilled Workforce: Tap into a vast talent pool backed by specialized training programs and strong public-private workforce development initiatives.

Proximity to Innovation Hubs: Collaborate with leading universities, research institutions, and cutting-edge technology ecosystems to accelerate your innovation and growth.

Favorable Business Climate: Take advantage of attractive tax incentives, grants, and development programs designed to foster success.

Access to Major Markets: Strategically position your business to reach 330 million U.S. consumers and global export opportunities while optimizing your supply chain.

How ALTIX Guides Your Success

Our tailored, hands-on approach ensures your U.S. site selection process is seamless and impactful at every stage:

- **Regional Analysis**: Compare regions based on workforce availability, logistics, and regulatory landscapes.
- **Financial Modeling**: Identify cost-effective options for taxes, labor, utilities, and operational expenses.
- **Incentive Negotiation**: Maximize ROI through attractive local, state, and federal programs.
- **Cultural Integration**: Align decisions with your company's values and long-term ambitions.
- **Post-selection Support**: Ensure a smooth transition in workforce development, facility setup, and operational readiness.

With ALTIX by your side, you gain a partner who understands the unique challenges and ambitions of large and middle market industrial champions. Our data-driven insights and strategic approach deliver not just a location, but the foundation for your sustainable growth in the U.S.

ALTIX Consulting partners with large and middle market B-to-B clients to deliver business strategy, technology and innovation, and operational excellence support. Our in-country, multi-lingual, and seasoned business advisors are experienced working in multi-cultural environments.
